Detour via KY 3056, US 62

FLEMINGSBURG, Ky. – The Kentucky Department of Highways expects KY 8 to remain closed between downtown Maysville and the William Harsha Bridge through Friday as crews and contractors continue to clear landslide debris and cut trees leaning over the roadway.

The closure will allow crews to complete the work, which is in close proximity to travel lanes, safely and as quickly as possible. Until the road reopens, motorists may detour using KY 3056 and US 62 or other routes.

Motorists are asked to heed all warning signs, “Drive Smart” in work zones and remain aware of workers and construction equipment when traveling.
